"Troy, leads a strong team of consummate professionals, and took a very challenging mental health situation, with my client, and the Elite team was able to provide sound strategies, and solutions to achieve a very positive outcome, for the client and the family!"

– Cook County Attorney

About Elite Life Care Services, LLC

- Elite Life Care Services, LLC specializes in a wide array of services to assist clients in navigating today's complex healthcare and life care related challenges and needs.
- Elite Life Care Services, LLC is insured and bonded. Our primary goal is to maintain and enhance the quality of life and well-being for our patients. The Elite Care Group has been providing client services for the past 22 years, and Elite Life Care Services and Elite Guardian Services has been serving clients and wards for the past 9 years!
- Elite Life Care Services, LLC and Elite Guardian Services, Inc serves clients and wards in the following counties: Cook, DuPage, Kane, Will, Lake, LaSalle, McHenry, Kendall, Kankakee, DeKalb, Winnebago, Grundy, as well as the greater Peoria area, Champaign Urbana, and Northwest Indiana.
- Elite Life Care Services, LLC is a member of the Case Management Society of America. CMSA developed the nationally recognized Standards of Practice for Case Management. The publication was officially released in early 1995 and is a forerunner in establishing formal, written standards of practice from a variety of disciplines. Elite Life Care Services, LLC strives not only meet but exceed the standards established by the CMSA.

Life Care Management

Elite Life Care Services, LLC is a health and life care management service that helps people of all ages navigate through the life care maze.

The services offered are:

- Life care management
- Advocacy
- Personalized assessment and development of a comprehensive plan of care.
- Guidance in anticipating and planning for future needs.
- Assistance with placement decisions, moving, and the ability to function as Power of Attorney.
- Our professional staff works with all ages.

Elite Guardian Services

- Elite Guardian Services, Inc is a guardianship service that works with all ages.
- The service is comprised of health care and life care professionals dedicated to promoting and managing the needs of individuals requiring the protection of guardianship.
- Part of our mission is to provide education about topics critical to the disability population such as mental capacity, hoarding, mental illness and decision making.

Elite Home Solutions

- Elite Home Solutions offers a seamless array of services for residential and commercial properties.
- This service was developed, due to the ever-increasing needs for a professional service to facilitate the needs of clients, ward's, Trust officers, and attorneys, who are responsible for the care of elderly clients, or clients with disabilities; in regards to issues and challenges related to properties.
